

As a service to constituents, I have assembled this Guide to the American Recovery and Reinvestment Act. You can view the guide by clicking [here](#)

This guide is a beginning point to assist individuals, businesses, community organizations, and local governments in finding resources made available to them by the economic recovery bill. Please keep in mind that while Congress appropriated funding, there are no earmarks in the bill, so individual lawmakers do not have the ability to set aside money for specific projects. Decisions regarding approval of funding and disbursements are up to the State of Texas or federal agencies.

I will continue to work with the state and federal agencies to ensure funding for projects that are tested, vetted, and worthy.
